

**Wishing you the best for the
season and a healthy new year**

Dear Colleagues and Friends,

On behalf of all of us at Ciheb, I want to extend our warmest holiday greetings. It has been a challenging year, but there is hope on the horizon. I look forward with optimism and a sense of renewal in carrying out our mission in 2021. Thank you for your continuing support.

Dr. Man E. Charurat, Ciheb Global Director

Supporting Young Women and Girls in Zambia

In Western Zambia, six new DREAMS centers were opened to assist adolescent girls and young women. These centers are providing a safe space where HIV/AIDS services and other support can help meet the needs of this at-risk population.
